Wed 31st August

## Enterprising idea

Participants of the Young Enterprise Scheme are holding a trade fair at LynnMall on Sunday.

The four teams are made up of year 12 and 13 students from secondary schools around west Auckland who run their own busi-

nesses as part of the scheme.

The groups will be offering their products for sale and taking orders.

Their products include photographic cushions, jewellery and printed t-shirts.

The stalls can be found

at the Memorial Drive entrance to the mall.

The team with the best business stall will be given another opportunity to sell at LynnMall.
