

Financial Education 2010

“Develop students’ financial capability by positioning them to make well-informed financial decisions throughout their lives.” (page 39, The New Zealand Curriculum)

Programmes

Year 13	Financial Studies A course that covers investment, financial planning and student loans.
Year 11-12	Financial Literacy Programme A full course covering day-to-day personal financial management such as budgeting, banking and insurance.

Resources

Year 9-10	Money Stuff A series of 20 student activities. Students gain an understanding of income and wealth, money management and financial planning within the essential learning areas of Art, Mathematics, Technology, Social Sciences and Language.
Year 9-13	KiwiSaver A set of six lessons comprising a number of activities using the Inland Revenue KS3 Employee information pack. The KiwiSaver resource pack contains a copy of Mary Holm’s bestselling book – ‘KiwiSaver: How to make it work for you.’
Year 9-13	Your Money Sorted A resource kit that includes TVNZ’s “Your Money Sorted” DVD set with accompanying teacher resources and student worksheets - to assist with spending patterns and goal setting.

Assessment

Financial education programmes and resources can be used within learning areas from Years 9 to 13, culminating in assessment leading to NCEA credits or credit equivalents.

NZQA Unit Standards at levels 1, 2 and 3 are currently in development covering banking, credit, budgeting, income, financial goal setting, decision making, investment and financial planning.

Your financial education teaching, learning and assessment requirements can be met by **registering now for free**.
